Your Inner Physician: The Secret to Faster, Deeper and More Complete Healing

Most people feel powerless when it comes to illness, unaware of how the mind influences the healing process. Drawing upon his extensive clinical experience, Dr. Gatis will empower the audience with:

- New knowledge on how the Trilogy of Mind works so they can influence their health outcomes.
- The awareness of the Power of the Subconscious Mind to be healthier and feel better.
- The way to align our minds to optimize our health and healing.

What Every Man Needs to Know About His Woman and What Every Woman Needs to Know About Her Man

We often don't know how to create better relationships between the sexes. Based on being divorced and the primary caregiver for his four daughters for a decade, Dr. Gatis will share:

- The four "Cs" of every successful marriage and how you can use them to build the fulfilling relationship you deserve.
- The Subconscious Golden Rule as it applies to your ultimate "feeling good" union.
- The Unique Subconscious Needs of your man or your woman and the ways you can create more love and respect in your current relationship.

How to Replace the Hidden Subconscious Blocks Around Money and Achieve Your Financial Freedom

We all have Subconscious programs running that sabotage us from achieving our full financial potential. As a practical expert on the Subconscious Mind for 20 years, Dr. Gatis explains:

- Changing your Subconscious Money Mindset to supercharge your business.
- Upgrading your Subconscious Money Setpoint so you can create unlimited wealth.
- Aligning your Subconscious with your Conscious Mind to be and feel financially free.
